ASPIRE is a volunteer-based mentoring program that helps students access post-high school training and education. Working one-on-one or in groups, trained ASPIRE mentors help students with: career exploration, college research, admissions applications, and student financial aid.

ASPIRE volunteer mentors must pass a criminal records check before meeting with students. Meetings take place at school, with school staff present, throughout the school year. Participation does not guarantee that students will receive scholarships.

Students are asked to complete a confidential online survey about their experience with ASPIRE and their future plans. For students under the age of 18, participation in ASPIRE and the end of the year survey require a parent or guardian signature below.

Participation in all ASPIRE programs and program evaluations is voluntary and confidential. You are free to withdraw your consent and discontinue participation at any time.

I give permission for my student to participate in the ASPIRE program and survey.

Parent/Guardian Name _____ date _____
(printed) *(signature)*

I, the parent/guardian, am interested in volunteering with the ASPIRE program.
