School Year	2024-2025
School	Veneta Elementary School

## School Direction Section

Vision	“At Veneta everything begins with the child, which creates opportunities to thrive”
Mission	<p>The mission of the Fern Ridge School District is to graduate students prepared to continue their education, train for a profession/field, or enter the workforce. We will build:</p> <ul style="list-style-type: none"> <li>● Relationships – A supportive and safe school environment that values diversity, and in which all students and adults feel welcomed and respected.</li> <li>● Rigor – Maintain high expectations and promote academic excellence through challenging curriculum, as well as instruction that builds critical thinking skills.</li> <li>● Relevance – Helping students connect and apply their education to the world of today and tomorrow.</li> </ul>

### Comprehensive Needs Assessment Summary

**What data did our team examine?** Statewide report cards (pre-Covid), Oregon State Assessment data, district level assessment data (EasyCBM), and ORIS Needs Assessment

**How did the team examine the different needs of all learner groups?** Data from all learner groups was discussed, with a deeper examination of disaggregated data to be completed in the upcoming year.

**How were inequities in student outcomes examined and brought forward in planning?** We reviewed data groupings intentionally looking for possible discrepancies among various subgroups. We discussed the impacts of COVID (distance learning, school closure, cohorting, safety protocols, etc.) had on student academic achievement and behavior data, as well as on instruction, processes, training, and classroom supports.

**What needs did our data review elevate?** Our data review elevated these needs: 1) the need to direct extra school resources to our 2021-22 first grade cohort (especially in the area of ELA). 2) the need for increased professional development in the area of ELA in order to improve instructional practices. 3) the need for students and staff to be provided with the skills, social supports, and the environmental reinforcement they need to adopt healthy long-term behaviors.

**How were stakeholders involved in the needs assessment process?** Stakeholders (parents, teachers, and instructional assistants) were engaged during the ORIS Needs Assessment process at the building level. Administrators were engaged as a team in the District ORIS Needs Assessment. Our school ESSA team also gave input during this process.

**Which needs will become priority improvement areas?**

Increasing equitable outcomes in English Language Arts, reducing disproportionality through purposeful systems, and creating an environment which supports the wellbeing of staff and students, both physically and emotionally, will become priority improvement areas.

### Long Term School Goals & Metrics

All or some school goals may match district goals

Student Focused, aspirational, aligned with needs, written for all students

Example: *All students will meet their annual growth targets in math.*

Metrics are outlined for the year(s) to come.

Vision	"At Veneta everything begins with the child, which creates opportunities to thrive"		
Goal 1	The 2021-22 first grade student cohort (hereafter referred to as the Class of 2033 cohort) will increase the percentage of students in the low-risk category, on the Composite Reading EasyCBM Benchmark tests, including Fluency, Proficient Reading, and Vocabulary, from 44% to 74%, by June 2025.		
Metrics	By 2023	By 2024	By 2025
	By June 2023, the Class of 2033 cohort will increase the students, in the low-risk category to 54%, on the 2nd grade composite Reading EasyCBMs.	By June 2024, the Class of 2033 cohort will increase the students, in the low-risk category to 64%, on the 3rd grade composite Reading EasyCBMs.	By June 2025, the Class of 2033 cohort will increase the students, in the low-risk category to 74%, on the 4th grade composite Reading EasyCBMs.

## **School Plan Self-Monitoring Routines**

Please describe the school plan to install quarterly plan-review/monitoring routines (see example below):

Veneta Elementary Personnel will meet quarterly to monitor the progress of our goals and adjust as needed. Our staff will utilize a data review protocol in order to problem solve implementation barriers and increase outcomes.

### **Routine Example:**

The chart below does not need to be completed prior to installation of school self-monitoring routines. It is placed here as a preview for the types of information a quarterly self-monitoring routine aims to answer and the subsequent steps and actions taken after each routine.

- What did we say we were going to do?
- How are we doing?
- How do we know?
- What will we do next?

	Update Date	Strategy	What does your evidence show?	What is working? What is not?	What will you do? What adjustments are needed?	What supports are being provided? Are they helpful? What more is needed?
