November Cheers winner Brianna Waldecker.

Brianna is an absolute Rockstar! She's our go-to sub extraordinaire, working at every school in the district. She always has a smile on her face and goes above and beyond. She even brings her own equipment to keep herself entertained during her shifts. For example, she brought in her blower to clean up the leaves behind the kitchen at the high school and her electric scrubber to clean the legs of all the tables and equipment in the district's kitchens. Talk about dedication!
