STATUS OF AGREEMENT

Section 1: Association Recognition. The District recognizes the Association as sole and exclusive bargaining representative for all regular and probationary full-time and part-time classified employees of the school District. Excluded from the bargaining unit are all substitute employees, supervisory and confidential employees, contracted employees, and temporary employees working ninety (90) consecutive work days or less.

For the purpose of this contract, a “temporary employee” is one who is hired for a period not to exceed ninety (90) consecutive work days to fill a position created for the purpose of completing a “specific task” that will not be done on a regular basis. After the ninety (90) consecutive work days of employment, the temporary employee shall be put into the Classified Bargaining unit and shall be entitled to all applicable contract benefits. Any “specific task” over ninety (90) consecutive work days the District will bargain with the Association.

For the purpose of this contract, a “substitute employee” is one hired for the purpose of filling the position of an absent employee.

Temporary employees and substitute employees will not be used to permanently replace a regular classified position. This provision will not be construed so as to prevent a temporary or substitute employee from applying for a vacant regular classified position.

The District will notify the Association twenty (20) working days in advance of upcoming temporary assignments. The District agrees, providing that there is no expectation that position will be provided because of interest expressed by Association member(s). The District reserves the right to fill the position as it best meets the District’s needs.

Section 2: Duration of Agreement.

- A. Effective date of this agreement is July 1, 2012, and it shall continue in effect through the 30th day of June 2014.
- B. This Agreement shall not be modified in whole or in part by the parties except by mutual agreement and by an instrument, in writing, duly executed by both parties.

Section 3: Funding of Agreement.

- A. The parties recognize that revenue needed to fund the provisions of this Agreement must be approved by established budget procedures. The Oregon Legislature, the people of the state of Oregon and local taxpayers all have a role in the process.
- B. Negotiations will begin no later than February 1 of any negotiation year with notification to negotiate having been expressed in writing by January 15 of the negotiating year.
- C. This Agreement does not guarantee any level of employment.

Section 4: Strike and Lockout

- A. Strike. The Association and members of the bargaining unit agree that they will not participate in any strike, work stoppage, slow-down, or other concerted work action during the term of this Agreement.
- B. Lock-Out. The District agrees that during the term of this Agreement there will be no lock-out of employees in the bargaining unit.

ARTICLE 2
MANAGEMENT RIGHTS AND RESPONSIBILITIES

Section 1. Management Rights. It is recognized that the District has, and will continue to retain, the right to operate and manage the school system and its programs, facilities, properties, and those activities of its employees related to their duties and performance. Without limiting the generality of the above, it is expressly recognized that, subject to this Agreement, the District's operational and managerial rights shall include but not be limited to, the following:

- A. The right to determine location of the schools and other facilities of the school system, including the right to establish new facilities and to relocate or close old facilities.
- B. The determination of the financial policies of the District, including the general accounting procedures, inventory of supplies and equipment procedures and public relations.
- C. The determination of the management, supervisory administrative organization of each school or facility in the system, and the selection of employees for promotion to supervisory, management, or administrative positions.
- D. The maintenance of discipline and control.
- E. The control and use of the school system property and facilities.
- F. The determination of safety, health and property protection measures where legal responsibilities of the District or other governmental units are involved.
- G. The right to enforce the rules and regulations now in effect and to establish new rules and regulations from time to time.
- H. The direction and arrangement of all the working forces in the system, including the right to hire, suspend, discharge, recommend corrective action, or transfer employees and to maintain files to carry out this function.
- I. The determination of the size of the working force, the allocation and assignment of work to employees, the determination of policies affecting the selection of employees, and the establishment of quality standards and judgment of employee performance.
- J. The determination of the layout and the equipment to be used and the right to plan, direct and control school activities, and the determination of the subjects taught.
- K. The right to establish and revise the school calendar, establish hours of employment, to determine the time, days and manner of payment, to schedule classes and assign workloads, and to define job descriptions.
- L. The right to make assignment for all programs of an extra-curricular nature.

Section 2. Job Opening Notification.

- A. The District will post in District written notification of each job opening, each location, and starting date within the bargaining unit five (5) working days prior to closing the application period. The District shall post position openings on the District's web page. The District retains the right to fill each job with a substitute if necessary. One copy of the posting will be sent to the OSEA president's e-mail.
- B. A selection committee will be used to interview and recommend candidates for positions. The OSEA President shall designate a bargaining unit member to serve on the selection committee.
- C. All applicants will be considered in making an assignment and the best qualified, as determined by the District, will fill the vacancy. Qualified in-District applicants will be afforded an interview and given first consideration.
 - 1. If an outside applicant is selected over a current employee who has applied for the vacancy, the outside applicant selected must possess, in the District's judgment skill, ability, and/or experience to a degree greater than the in-District applicant.
 - 2. Upon written request, an Employee who was an applicant and was not selected shall be afforded an opportunity to receive feedback from a District representative.
- D. The District may hire new employees up to step 3 of the salary schedule based on past experience and qualifications in the classification for which he/she is hired.
- E. An Employee who has been selected for a higher pay range job title shall be placed on the first step of the higher pay range which provides an increase above that presently earned.
- F. An Employee who has been selected for a lower pay range shall be placed on the lower pay range at the step corresponding to that which the Employee was placed when in the higher pay range.
- G. Additional hours shall be posted as a job opening, unless:
 - 1. The amount of hours to be added is less than (1) full hour and it does not:
 - (a) increase a position to seven (7) hours a day or thirty five (35) hours a week.
 - (b) result in any increase of Health Care benefits under Article 4 Section 13.
 - (c) substantially increase or alter the normal duties of the position in question.
 - 2. The employee agrees to have their hours extended.
 - 3. The Association is notified in writing five business days in advance of any proposal to increase hours taking effect under this Section.

Section 3. District Initiated Transfer. District initiated transfers are those in which an employee is transferred from one building to another, work area to another, or to fill a vacated position. When a District initiated transfer is proposed during the school year, the

employee shall be notified five (5) days in advance and be given an opportunity to exercise his/her right to discuss the change and the written reasons thereof, with the administrators involved. The employee shall have the right to object in writing to the Superintendent. Criteria: District Initiated Transfer of employees may become a consideration due to needs of the District, such as:

- A. Reduction in staffing numbers or level due to financial emergencies, building closures, or program elimination or reduction.
- B. Interpersonal relationships are interfering with the efficiency and effectiveness of the position.
- C. Proven strengths of an individual would be of greater benefit at another location.

While some involuntary transfers of employees from one school or department to another, or reassignment within a school or department is unavoidable, it is agreed that under normal circumstances involuntary transfer and reassignment of employees should be held to a minimum and not be used for disciplinary action.

Involuntary transfer decisions for the ensuing school year shall be processed prior to the end of the current school year if knowledge of the need is available.

Any District initiated transfer or assignment will be made only after a meeting between the employee and the immediate supervisor, at which time the employee will be notified of the reasons and criteria for transfer. The employee may request the reasons in writing. The base salary or hourly rate of pay will not be changed unless the transfer is to be a higher paying position. If the District initiated transfer is to a lower job/class salary, the salary will not be decreased but will be frozen until the new job class salary level reaches the established salary in future years.

Section 4. Communications. To keep classified employees informed, the District will provide to the Association, via Board Book/District web page prior to regularly scheduled meetings, copies of agendas and official minutes of all public meetings. Board briefing materials and confidential information are excluded from this requirement.

ARTICLE 3

Section 5. Members Time Off. Any member of the bargaining unit, upon advanced approval of the Superintendent in each situation, may be granted time off with pay to attend conferences, workshops or meetings of interest to District 28J.

Section 6. Representatives Time Off. The Association representatives, elected or appointed, may be granted time off, without pay, from their regular school duties, upon advanced approval of the Superintendent, to attend meetings of importance to the Association. Such meetings will be scheduled so as not to interfere with normal school duties whenever possible.

Section 7. Grievance Information. Upon the request of the individual employee, public information pertinent to their particular grievance will be made available by the District. Additional costs that result from the request for information will be paid by the employee or the Association.

Section 8. Association Representative. Upon notification to the Superintendent or designee, or the building principal or designee, non-local Association officials shall be allowed to visit on District premises with bargaining unit members so long as the bargaining unit member is on non-duty time and so long as the meeting does not interfere with, or interrupt, normal school operations. The non-local Association official shall observe all building rules relating to visitors.

Section 12. Hold Harmless. The Association and individual employees shall hold the District harmless from any claims, costs, or liabilities and indemnify the District for any costs arising from the compliance with this article, provided any District error is corrected within thirty (30) days of being brought in writing to the District's attention.

ARTICLE 4
HUMAN RESOURCES

SECTION 1 – SENIORITY

Section 1.1 Length of Service. Seniority shall be defined as the total length of service as a classified employee within the District from the most recent date of hire. For accounting purposes, all authorized, unpaid leaves of absence will not count toward seniority, but will not break seniority. Classified employees who are laid off and subsequently recalled shall retain cumulative seniority for all periods worked except for the period of layoff.

Section 1.2 Layoff. When layoff becomes necessary, the District shall provide written notice to the Association and employee as early as possible, but will provide at least 30 day notice prior to layoff unless waived by mutual agreement or an undetermined shortfall is imminent.

Section 1.3 Layoff of bargaining unit employees will be based upon seniority, but such layoff will occur by classification. Laid off employees will not be paid any salary or benefits during the period of layoff. Notwithstanding, a laid off employ may, at his/her own expense, continue insurance coverage, subject to the approval of the insurance carrier(s).

Section 1.4 A laid off employee who previously worked in a different classification for the District (within the definition of seniority in paragraph A), may "bump" an employee in the other classification as long as two conditions are met:

- A. The laid off employee has greater District seniority than the person to be "bumped"; and,
- B. The laid off employee had at least satisfactory evaluations while employed in the previous classification.

Section 1.5 Reduction in Hours. Any reduction in hours of an employee will be by seniority by classification.

Section 1.6 Recall. Recall rights shall exist for 27 months from the date of layoff. Any laid off employee not recalled according to this procedure within 27 months will be deemed to have resigned in good standing.

Section 1.7 Vacancies. Whenever the District determines that a regular vacancy exists within a classification which has experienced a layoff (within the last 27 months), laid off employees from that classification will be recalled in reverse order of layoff. The recall notice will be sent by certified mail to the last address the District has on record for the laid off employee. The laid off employee will have 10 workdays to respond to the recall notice. Failure to respond within the 10 days or rejection of any recall notice will cause the laid off employee to forfeit all recall rights and will be deemed to be a resignation.

Section 1.8 If no laid off employee has responded to the recall by classification, or if no further laid off employees exist from the classification, all other laid off employees may apply for the regular vacancy. Such application shall not prejudice the employ's rights to recall in his/her own classification.

SECTION 2 – NEW EMPLOYEES

Section 2.1 New Employee Probationary Status.

- A. Each new employee will serve a probationary period of six (6) months during which the Superintendent may dismiss the employee without cause. Upon recommendation of the supervisor and approval of the Superintendent, the probationary employee may be granted regular status. If regular status is not recommended at the end of the probationary period, the probationary period may be extended with mutual agreement by the association or the employee may be terminated.
- B. Employees hired before January 1 of any school year shall advance (if otherwise eligible) one step on the salary schedule on the following July 1. Employees hired subsequent to January 1 of any school year shall advance (if otherwise eligible) one step on the salary schedule on the second following July 1. Thereafter, step movement will occur on each successive July 1, until the employ reaches the top step.

SECTION 3 – SALARY

Section 3.1 Salary for Subsequent Years

- A. For each year of this contract, eligible employees will move one step on the salary schedule, effective July 1.
- B. For each year of this contract, if another collective bargaining unit, receives an increase in salary or benefits, the District shall meet and negotiate section 3 and 13 of Article 4.

Section 3.2 Overtime/Compensatory Time. Eligible employees shall be compensated at the rate of time and one-half in the form of pay or compensatory time off for work under the following conditions (but not twice for the same hours):

- A. All assigned work in excess of forty (40) hours in a work week (work week being Monday through Sunday).
- B. Overtime must be pre-approved or employee will be disciplined up to and including dismissal from service to the District. Overtime shall be computed to the nearest quarter hour. Overtime pay shall be based on the actual number of hours worked over 40 hours per week. For the purpose of computing overtime, all hours an employ actually works, plus paid holiday and vacation hours shall be credited as time worked in computing total work period hours. All overtime must be approved in advance by the Superintendent or Superintendent's designee.
- C. The District may offer an employee compensatory time in lieu of overtime pay at the overtime rate of 1.5 hours for each approved hour of overtime earned. Should this be the case, the arrangement will be reduced to writing within 48 hours with a copy going to the District's Business Manager. The District and the employee will attempt to mutually agree as to when the compensatory time off may be taken. If a mutual agreement cannot be reached, the District will have the right to

make the decision.

- D. The maximum number of “compensatory time” that may be accumulated is 240 hours, which represents 160 hours of actual overtime worked. Thereafter, overtime must be paid on the regular monthly pay check for hours above the cap. The Superintendent may elect to have an employee compensated on the employee’s regular pay check, for accumulated compensatory time or schedule to have the employee take the time off at any time.

Section 3.3 Working Out of Range. An employee temporarily assigned by the District to replace an absent employee who is in a higher classification, for a period of more than three (3) consecutive days, shall be entitled to the rate of pay on the next step on the employee's salary schedule or the first step on the higher classification, whichever is higher. If the employee is at the highest step on their current salary schedule, they will be compensated by an amount equal to the difference between step 8 and step 9. This higher rate of pay will terminate with the termination of the temporary assignment.

If an employee works more than three (3) consecutive days, the pay rate will be retroactive to the first day of the assignment.

Section 3.4 School Travel. Employees approved to use their personal automobiles while performing school duties, such as running errands, performing inter-school assignments and transporting students, will be reimbursed for mileage at the District's normal rate.

Section 3.5 Call Back. When the District calls an employee back to work outside his/her normal work schedule, the District will pay him/her the regular rate of pay for a minimum of two (2) hours.

Section 3.6 Inclement Weather Closure Days

- A. In the event school is closed due to inclement weather, employees will not suffer any loss of pay. Employees who are required to work during an inclement closure day shall earn an additional vacation hour for each hour worked. If the District extends the school year calendar to make up for the closure, school year employees may be required to make up the lost day(s)/time.

Section 3.7 Fingerprinting. If it is a voluntary transfer, the employee will be responsible for the fingerprinting cost.

Section 3.8 P.E.R.S. "Pick-up." The District shall "pick-up," assume and pay a six percent (6%) employee contribution to the Public Employees Retirement Fund. Such "pick-up" or payment of employee member monthly contributions to the system shall continue for the life of this Agreement and shall also be applicable to employees who become eligible to participate in the system. Any additional amount over the six percent (6%) will be deducted from the wages on the salary schedule.

SECTION 4 – MEAL AND REST PERIODS

- A. Meal Period: All employees working five (5) continuous hours or more will be granted a thirty (30) minute unpaid meal period.

If a supervisor and an employee agree to adjust the meal period time, affording the employee to consistently leave the work site, inclusive of meal time, said agreement must be in writing.

- B. Rest Periods: Each employ shall receive a fifteen (15) minute paid break during each four (4) hour period of consecutive work:
 - 1. Rest periods should be taken as nearly as possible in the middle of the work segment.
 - 2. If a supervisor and employee agree a rest period may be taken right before the employee's shift ends. This understanding is to be reduced to writing.

SECTION 5 – RECLASSIFICATION

Section 5.1 Reclassification.

- A. Reclassification Request: Any employee who believes the assigned duties exceed the job description may notify his/her supervisor in writing immediately. If the employee's assignments continue to exceed the job description, he/she may submit a letter of request for job reclassification to their supervisor, with a copy to the District Superintendent. Such letter shall detail the specific changes that have occurred which he/she believes warrants the granting of the reclassification request.
- B. Reclassification Review Committee: Upon receipt of the reclassification request, the employee's supervisor shall contact the Association president who shall appoint a local representative to work with the supervisor on a committee to be known as the Reclassification Review Committee. The committee shall be constituted for the purpose of reviewing the reclassification request made by the individual employee.
- C. The Committee Consideration: The Reclassification Review Committee shall meet and review the reclassification request within two (2) weeks of its receipt. The committee shall provide written findings and a recommendation as to the disposition of the reclassification request within thirty (30) days of its receipt.
- D. The Committee Recommendation: The committee shall issue its findings and recommendations to the employee and the District Superintendent. The Superintendent will consider all requests for reclassification within two (2) weeks from the date the findings and recommendations were delivered to the Superintendent. The Superintendent will transmit to the employee and members of the review committee his/her determination, which may be to accept, accept with modification, or reject the committee's proposal.

If the employee is not satisfied with the determination of the Superintendent, the employee may appeal to the Board of Education for review. The Board will consider the employee's appeal at a regular meeting within two (2) weeks from the date the appeal is received. If the reclassification request is approved, it shall become effective on the date the request was submitted, not to exceed seventy-two (72) days.

- E. Days are defined as calendar days. Timelines may be extended by mutual agreement.

SECTION 6 – HOLIDAY AND VACATION

Section 6.1 Holidays Granted. Holidays for employees in the bargaining unit shall be:

- A. Independence Day
Labor Day
Veterans' Day
Thanksgiving Day
Day following Thanksgiving
December 24
December 25

Martin Luther King, Jr. Day
Memorial Day
- B. Memorial Day, Veterans' Day, Thanksgiving Day, day following Thanksgiving Day, December 25th, and New Year's Day and Martin Luther King, Jr. Day will be received by all employees.
- C. Each of the remaining holidays will be received by the employees scheduled to work those days if they were not holidays, as long as the employee works the day before or the day after.

Section 6.2 Holiday Compensation. Employees in the bargaining unit shall be compensated for the holiday as though that employee had worked a regular schedule for the day.

Section 6.3 Vacation Guidelines. Guidelines for determining vacation time or pay earned by employees in the bargaining unit shall be:

- A. Probationary employees shall not be eligible for vacation pay. The probationary period is six (6) months.
- B. Vacation time or pay for less [than] full-time employees shall be prorated. "Full-time" definition: Any employee working the maximum number of contract days during any given year will be considered full-time. Example: 260 days x 8 hours per day = 2,080 hours. If ten days are eliminated from the contract year, the new definition for full-time would become 250 days x 8 hours per day = 2,000 hours.
- C. Vacation time or pay shall be accumulated daily and calculated yearly as of June 30.
 - 1. For employees who attain regular status, as of the date applicable in "C" above, following the date regular status is attained, but no less than six (6) months after hiring date.
 - 2. Vacation Time Number of Full Years Completed

18 Days	Thirteen Years
19 Days	Fourteen Years

3. Unless special arrangements have been made, the employee will not take more than three (3) weeks in one duration. With mutual agreement, the District reserves the right to buy (pay) up to one week of an employee who has earned four (4) full weeks of vacation.
4. The District reserves the right, with mutual agreement, to schedule the vacation time so as not to impair the District's operation or require the hiring of substitutes.
5. Employees who are terminated by the District will receive vacation pay earned.
6. In the event of a reduction in school calendar days, employees may elect in writing prior to the School Year in which the reduction has occurred to convert Vacation pay to cover all, or part, of the lost days in the calendar. The vacation pay shall be deducted from the Employee's vacation bank and added to their calendar prior to their first pay check.

The Annual Deadlines to Notify Payroll Office are:

12 Month Employees – Prior to July 1st

<12 Month Employees – Prior to August 1st

Section 6.4 Vacation. Employees shall take their vacations during the year following the year it is earned.

SECTION 7 – DOMESTIC PARTNERS

Section 7.1 Domestic Partners

- A. Insurance coverage for domestic partners will be subject to the same limitations and conditions applicable to other employees.

The District is contracting to provide funds toward premium expenses to be used toward the purchase of insurance not to “provide” the insurance. Therefore, insurance coverage will be provided in accordance with the rules and regulations of the insurance underwriter.

“Domestic Partners” of an employee are eligible for coverage under the District insurance plans if they meet the following criteria:

1. Share a close personal relationship and are responsible for each other’s common welfare;
2. Are each other’s sole domestic partners for a minimum of twelve (12) months prior to enrollment date;
3. Are not married to anyone nor have had another domestic partner enrolled in the health plan within the prior twelve (12) months;

Domestic partners need not contribute equally or jointly to the cost of these expenses as long as they agree that both are responsible for the cost. If requested, the domestic partner needs to be able to provide at least three (3) of the following as verification of their joint responsibility (information must be dated to confirm eligibility at time of enrollment):
 - a. Joint mortgage or lease;
 - b. Designation of the domestic partner as primary beneficiary for a life insurance or a retirement contract;
 - c. Designation of the domestic partner as primary beneficiary in the employee-covered member’s will;
 - d. Durable power of attorney for health care or financial management;
 - e. Joint ownership of a motor vehicle, a joint checking account, or a joint credit account;
 - f. A relationship or cohabitation contract which obligates each of the parties to provide support for the other party.

SECTION 8 – WORKERS COMPENSATION

Section 8.1 Workers' Compensation. Any absence from work while temporarily disabled by reason of a compensable industrial accident or disease shall be an excused but unpaid absence. It shall not be counted as sick leave unless the employee shall elect in writing to be paid as sick leave the difference between the temporary disability benefits and the regular wages. In case of such application, the employee will be charged a fractional sick leave day; however, such deduction shall not exceed the amount determined by taking the employee's daily wage for the period of time less benefits received under Workers' Compensation.

SECTION 9 – LEAVE

Section 9.1 Leave of Absence

- A. Employees who have been in the District for five (5) years or more may request a leave of absence for one (1) year. The School Board shall have the authority to approve or disapprove any request for leave of absence.
- B. Employees granted such a leave will receive no pay or fringe benefits, but will be allowed to return to their placement on the wage scale.
- C. Application for such leave shall be made through administrative channels of principal, superintendent, and school board no later than March 15, unless an unforeseen emergency arises.
- D. The number of employees on leave shall be limited to no more than two (2) employees at any time.
- E. Such leave shall be unpaid and without advancement on the wage schedule.
- F. An employ on an extended leave of absence must notify the Superintendent of intent to return to duty no later than sixty (60) days prior to return. Notice of intent to return from short leaves will be agreed upon at the time the leave is granted.
- G. Employees granted unpaid leave or leave of absence will not accrue seniority rights or retirement benefits.

Section 9.2 Personal Emergency Leave . Each regular employ shall be entitled to four (4) days of personal emergency leave days each year. These four (4) days cannot be accumulated annually for this purpose. An additional five (5) days may be allowed for a death in the immediate family. Upon return, the District may require verification of serious illness or death.

The immediate family is confined to mother, father, sister, brother, son, daughter, husband, wife, stepfather, stepmother, stepchildren, grandmother, grandfather, and close in-laws limited to: mother, father, son, daughter, sister, and brother.

Emergency leave is non-accumulative and is not deducted from sick leave.

Four (4) days of personal emergency leave shall be granted by the building administrator each year for the following:

- A. Personal Business. For necessary time off for personal business, where the circumstances requiring the leave are beyond the employee's control and must be taken during the school hours. This leave cannot be used for a vocational or recreational purpose.
- B. Family Illness. To be used for care of the employee's immediate family.
- C. Employees will not be required to use their unquestioned personal leave day prior to using any of these four (4) personal emergency days.

Section 9.3 Unquestioned Personal Leave Day. One day of unquestioned personal leave will be allowed for classified personnel. Notification for this leave must be presented, in writing, to the supervisor/administrator one week in advance. Advance notification may

be waived in emergency situations providing that it is filed within two (2) working days after returning to work and a verbal check-out with the supervisor/ administrator was accomplished prior to leaving. Unquestioned Personal Leave Day shall not be used to extend holidays or vacation days. Such a day will not be granted for less than one-half day portion, and is not deducted from sick leave and is not cumulative.

Section 9.4 Jury Duty and Subpoena Leave. If an employee is called for jury duty or is subpoenaed as a witness in a court case, the employee will be entitled to paid leave for the hours of work necessarily lost as a result of such service, provided the employee reports back to work as soon as the employee is released from such service. Fees received by the employee for such service shall be kept by the employee and the employee's salary will be reduced by a like amount. (This does not apply to travel or subsistence expenses.) This entire provision does not apply in any case where the employee or the Association is a complainant in any case against the District.

SECTION 10 – SICK LEAVE & LONG TERM ILLNESS

Section 10.1 Sick Leave Accumulation.

- A. For each month of the employee's working period, sick leave will be granted to the employee on a basis of the number of hours in his/her scheduled working day. Unlimited sick leave may be accumulated as per ORS 332.507.
- B. Sick leave will be charged in hours rather than days. Sick leave charged will be one (1) hour minimum deduction and all sick leave used must be shown on the employee's time sheet for the day.

1. The employee must be a regular employee
2. The employee must have at least twenty-four (24) hours of accrued vacation time after the donated hours are removed; part time employees must have sixteen (16) hours accrued leave after the donated hours are removed.

Section 2 Procedure.

Receiving Employee: The employee or the employee's representative requesting a sick leave donation must complete a Sick Leave Donation Request form, available in the Business Office, and should specify the amount of leave being requested. Medical certification of the illness may be required. Leave beyond that needed will not be

transferred. If the employee is unable to return to work within the originally anticipated time frame, additional requests for leave donations may be made, as needed.

Leave donation requests must be reviewed and approved by the Business Office to ensure that they meet the criteria outlined in this policy. Every effort shall be made to protect the confidentiality of medical information throughout this process.

Donating employees: Requests to donate accrued vacation under this policy must be submitted on a Leave Donation Form and must be reviewed and approved by the Business Office to ensure that the donating employees meet the criteria outlined in this policy. Requests must indicate the employee for whom the donation is intended and the total hours donated. Donating employees may not make more than one (1) donation per leave donation request and may not donate more than sixteen (16) hours per leave donation request.

Once approved the Business Office is responsible for forwarding the Leave Donation Requests Forms to the membership in a timely manner. Donated hours are removed from the donating employee's accruals and are transferred hour for hour to the recipient's sick leave balance each pay period that the employee is on leave without pay status, so as to maintain the employee's regular salary and benefits. Donations will be processed in order of the date received by the Business Office.

The donation, once transferred to the receiving employee, must be made voluntarily and irrevocably, with the understanding that the donated leave is lost to the donor forever.
